NOTICE TO THE PROFESSION AND PUBLIC

I. FILINGS

Provincial Court registries are accepting all filings at the [applicable court registry](#) either in person or remotely (by mail, email, fax to fax filing registries under [GEN 01 Fax Filing Registries – Family and Small Claims](#), or using [Court Services Online](#) where available). To protect the health and safety of all court users and help contain the spread of COVID-19 while maintaining access to the Court, parties are encouraged to use remote filing options wherever possible.

Applications in family and small claims matters may be accompanied by **affidavits**, written statements of fact that have been sworn or affirmed to be true before a commissioner for oaths such as a lawyer or justice of the peace. In order to reduce the number of people attending court registries the Chief Judge is advising Provincial Court registries that the materials filed need not be sworn or affirmed at this time (during COVID-19). The judge who hears the matter may attach whatever weight they consider appropriate to unsworn or unaffirmed documents. People submitting affidavits must still take care to ensure their affidavits are accurate and true. If there is a hearing the judge will likely require them to swear or affirm that the contents of their affidavit are true at the hearing. See, also, [NP 20 Affidavits for use in Court Proceedings](#). The only exception is that Affidavits of Personal Service need to be sworn/affirmed before filing if the person who served the documents will not be attending the hearing.

During COVID-19, the Chief Judge is advising Provincial Court registries to accept family Applications and Notices of Motion with typewritten or electronic signatures.

Police must send Informations by telecommunication (fax or telephone) to the applicable local [court registry](#). The process hearing will be done by telephone.

Information about judicial authorizations is set out below in Part V, section 8.

The Court will determine which trials will proceed.

b. Out of custody criminal trials, trial continuations, and preliminary inquiries originally scheduled January 4 to January 7, 2022

All out of custody criminal trials, trial continuations and preliminary inquiries scheduled between January 4 and January 7, 2022 will be adjourned without parties having to make an application. These trials will remain on the trial list on the date scheduled but the trial will not proceed on that date. Instead, the Court will contact participants by audio or videoconference on that date to discuss next steps and, if not resolved, the matter will be adjourned to another date as directed by the judge to fix a new trial date. Please make sure you are available at the time your trial is scheduled.

A bench warrant will be issued for all accused persons who cannot be contacted on their trial date set for January 4 to January 7, 2022. The bench warrant will be held and not executed until January 14, 2022, unless the next scheduled appearance date is before January 14, 2022 in which case it will be executed on that earlier date. If the accused person appears personally or through counsel/agent on or before January 14, 2022, the bench warrant will be vacated.

2. JUDICIAL INTERIM RELEASE

All judicial interim release (bail) hearings will continue to use audioconference or videoconference (instead of in-person appearances), unless a judge or justice orders otherwise. Bail applications occurring outside of Court sitting hours shall be referred to the [Justice Centre](#) (see [CRIM 05 Hearing of Bail Applications](#)). For bail hearings for all adult and youth criminal files in the Northern Region, see also [CRIM 14 Northern Bail Pilot Project](#).

For consent bail variations without a surety, the Application to Vary Bail by Consent Form (PCR 317) (<https://www2.gov.bc.ca/gov/content/justice/courthouse-services/documents-forms-records/court-forms/criminal-court-forms>) may be sent to the [Judicial Case Manager](#) at the applicable local court location in one of the following ways:

- a. by email; or
- b. if available in the location, by facsimile.

Counsel for a person in-custody may sign the Form on their behalf if it is their application. For consent bail variations with a surety, please call the [Judicial Case Manager](#) at the applicable local court location for further information.

3. INITIAL APPEARANCE COURT

Counsel for adults and youth must endeavor to avoid unnecessary personal attendances of the accused or counsel at the courthouse wherever possible. Please refer to “Alternatives to Attending Court” in [CRIM 13 Initial Appearance Court During COVID-19](#).

4. PRE-TRIAL CONFERENCES

[CRIM 12 Criminal Pre-Trial Conferences During COVID-19](#) applies to the specified adult and youth criminal files listed in the “Application” section of the Practice Direction.

This practice direction only applies to files where the accused is represented by counsel. Self-represented accused with trials requiring one day or more of trial time will have a pre-trial conference set before a judge, preferably the trial judge, approximately 8 to 10 weeks before the first date of trial for trial management purposes.

5. DISPOSITIONS

If your disposition was scheduled between January 4 and January 7, 2022 to proceed virtually, it will proceed on its scheduled date.

All in person dispositions scheduled between January 4 and January 7, 2022 will remain on the hearing list on the date scheduled but will not proceed on that date unless the judge otherwise orders. Instead, the Court will contact participants by audio or videoconference on that date to discuss adjourning the matter as directed by the judge to fix a new date. Please make sure you are available at the time your disposition is scheduled.

A bench warrant will be issued for all accused persons who cannot be contacted on their scheduled disposition date set for January 4 to January 7, 2022. The bench warrant will be held and not executed until January 14, 2022, unless the next scheduled appearance date is before January 14, 2022 in which case it will be executed on that earlier date. If the accused person

appears personally or through counsel/agent on or before January 14, 2022, the bench warrant will be vacated.

For out of custody matters where the accused (out of custody) and counsel agree to appear by audioconference or videoconference, and the prosecutor and defence counsel have agreed to seek a sentence that does not involve any incarceration but may factor in time already spent in custody and include a one day jail sentence where the accused is not taken into custody or a conditional sentence order, in order to schedule these dispositions, defence counsel must:

- i. complete the "[Request for Resolution of Matters](#)" Form;
- ii. file the completed Form to the applicable local [court registry](#); and
- iii. provide a means by which the accused will receive a printed copy of any court order(s). For example, this could be an email, fax or mailing address for the accused or their counsel.

A Judicial Case Manager will contact counsel to schedule the hearing by audioconference or videoconference before a judge.

All materials to be relied on must be provided to the court two days in advance of the hearing. Those materials will include the picklist terms as part of any peace bond, probation order, or conditional sentence order.

Where Crown is seeking incarceration or the accused does not consent to being sentenced by audioconference or videoconference, parties must contact the applicable Judicial Case Manager to schedule these sentencings. Where the accused is appearing in person for their sentencing, counsel may appear by audioconference or videoconference and must notify the JCM of their method of appearance.

Process for Disputant and Officer (Prosecutor) - Request to Appear by Telephone or Videoconference Form

For violation tickets issued under the *Motor Vehicle Act* or *Motor Vehicle Act Regulations*, if the Disputant and/or the Officer wishes to appear remotely by telephone at the traffic ticket hearing, they may ask the Court for permission by completing and submitting a Request to Appear by Telephone or Videoconference Form ([PTR 824](#) for the Disputant or [PTR824B](#) for the Officer) to the Violation Ticket Centre. Please note that remote appearances by the Disputant and/or Officer by MS Teams videoconference are only available for hearings scheduled at specifically designated court locations and sittings at this time. In addition:

1. Individual judges and justices retain their common law authority to make directions about the proceedings in their courtrooms, including the manner in which parties must appear before them. It is within the Court's discretion to permit or deny a request to appear remotely at a traffic ticket hearing. It is also within the Court's discretion to subsequently require the Disputant or the Officer to appear in person after initially permitting them to appear remotely. Some of the factors that the Court may consider in exercising its discretion include the "Request Details" noted on the Forms and whether it is in the interests of justice.
2. The Court will advise the Disputant and the Officer of their required method of appearance.
3. If the Disputant and/or the Officer is permitted by the Court to appear remotely at the traffic ticket hearing, they must read and abide by [NP 21](#).
4. A Disputant's failure to attend the hearing remotely or in-person as required and failure to remain available until the Disputant's matter is concluded on the scheduled hearing date may result in the matter being deemed not disputed and a conviction being entered.
5. The Officer must be available and remain available until the hearing is called, spoken to and concluded.

THE FOREGOING IS SUBJECT TO CHANGE, ANY UPDATED DIRECTIONS WILL BE POSTED ON THE COURT'S WEBSITE.
