

Court of Appeal for British Columbia

Supreme Court of British Columbia

Provincial Court of British Columbia

---

## Announcement

March 13, 2023

### Judiciary and Staff COVID-19 Vaccination

Effective April 3, 2023, the Court of Appeal for British Columbia, the Supreme Court of British Columbia and the Provincial Court of British Columbia will lift the requirement that all judicial and court staff, as well as service providers accessing the secure (non-public) areas of all courthouses, be vaccinated against COVID-19. This is consistent with the recent BC Public Service announcement that as of April 3, 2023 the requirement to be vaccinated against COVID-19 is being removed for all public service employees, including court staff.
